Maitland is a city built on connection

From the Hunter River that has linked communities for generations, to the businesses, cultures and people that make our region vibrant today, connection remains at the heart of who we are.

This year's Maitland Business Summit celebrates the unique strengths that make every business different. Whether it's an innovative product, specialised service, unique expertise or a fresh perspective, we invite businesses to showcase what sets them apart. Inspired by our heritage, enriched by our diversity and driven by innovation, the Summit is where ideas, people and opportunities come together.

**Share your story. Showcase your difference.
Create meaningful connections.**

Because, together, our differences are what make our community stronger.
